## International Forum of Young Art Researchers

### **SCIENCE SPRING – 2019**

Tuesday 16 April – Friday 19 April 2019

#### **Call for Papers**

‘Science Spring’ Forum is a unique annual research event for young researchers of art and culture. The initiative, concept and program development of the Forum belongs to SIAS’ PhD students.

Our goal is to invite colleagues to a research dialogue, share our own experience, talk about themes and methodology of our research, and discuss the controversial issues of our work studies.

Forum statement:

***Where’s the revolution? Search for new approaches in the Metamodernism era***

#### **Potential topics for discussion:**

- ✓ Perception and interpretation of art, literature and history – modern experience
- ✓ Nature as a source and space for artistic ideas
- ✓ Theatralization as an artistic method
- ✓ Means of communication and influence in art
- ✓ Means of communication and understanding in art studies
- ✓ Comparative analysis of Russian and foreign culture through the eyes of foreign students.

### **We accept participation requests from:**

- ✓ Art researchers of all specialties
- ✓ Philologists
- ✓ Philosophers of art and culture
- ✓ Theorists and historians of culture
- ✓ Experts in music and theater studies as well as artists
- ✓ Museologists and curators

Forum audience is welcome to take part in discussions. Anyone can join discussions and feel a part of the young research community. This is especially important for students who are just starting their journey in research.

If you wish to participate in the Forum, please send your application by **15 February 2019** to: [sciencespring@yandex.ru](mailto:sciencespring@yandex.ru)

We accept completed applications according to the approved form (see attached). Incomplete applications which do not adhere to the requirements will not be accepted.

Participation in absentia is not permitted.  
Participants will bare the costs of travel and accommodation.

Forum venue: Moscow, Kozitsky Lane, 5.
